**AGENDA ITEM:** Young Adult Services

**GENERAL OVERALL PROGRAM UPDATES:**

In August 1999, the Library of California Board adopted a motion “to pursue a legislative vehicle(s) to implement a statewide Young Adult Services Program based on a program design that was initially adopted by the Board in August 1998.”

In 2000 and 2001, Assemblymember Carl Washington (52<sup>nd</sup> District), authored two bills regarding after school programs in public libraries for young adults (AB 2486; AB 49). Both bills were sponsored by the Library of California Board, endorsed by the California Library Association, approved by the Department of Education, supported by the State PTA, the library community, and law enforcement officials. Both bills were vetoed by the Governor largely on the basis that sufficient after school programs were being provided to young adults.

On February 22, 2002, Assemblymember Carl Washington (52<sup>nd</sup> District), introduced AB 2730. It was identical to the last amended version of AB 49. It would create the Youth Mentoring and Safe Communities Grant Program (Exhibit A). This program would require the State Librarian to award grants on a competitive basis to qualified public libraries, as specified, for the purposes of implementing the program in public libraries. Four hundred thousand dollars (\$400,000) would be appropriated from the General Fund to the State Librarian for the purpose of implementing the program.

AB 2730 was amended by the author on April 22, 2002 (Exhibit B). The content of the bill is similar to the previous version; however there are two significant changes. First, the amount and source of funding has been changed. Second, funding has been increased to five million dollars (\$5,000,000) and would be appropriated from The Carl Washington School Safety and Violence Prevention Program. Eligibility of public libraries to apply for grant funds has been modified --- in addition to meeting other criteria, to be eligible, a public library must work in conjunction with a school currently using, or that at some future time, may utilize funding from The Carl Washington School Safety and Violence Prevention Act of 1999.

AB 2730 was heard by the Assembly Committee on Local Government on Wednesday, April 17, 2002, and was passed (Ayes 10; Noes 1). The bill was referred to the Assembly Appropriations Committee.

AB 2730 was heard by the Assembly Appropriations Committee on Wednesday, April 8, 2002, and was referred to the suspense file.

Since the last Board meeting, the following activities have occurred:

**AB 2730, AMENDED, PASSED BY ASSEMBLY.**

AB 2730 was amended by the author on Thursday, May 23, 2002. The content of the bill is similar to the previous version; however all references to the funding (\$5,000,000) were removed. The bill was passed as amended (Exhibit C). (Ayes 18; Noes 6).

AB 2730 was passed by the Assembly on Wednesday, May 29, 2002 and sent to the Senate. (Ayes 56; Noes 23).

Letters of support from the Library of California Board President were sent to Assemblymember Carl Washington and members of the Senate Education Committee (Exhibits D, E).

AB 2730 was heard by the Senate Education Committee on Wednesday, June 26, 2002, and was referred to the suspense file.

AB 2730 was scheduled to be heard by the Senate Education Committee on Wednesday, July 3, 2002, but the hearing was postponed by the Committee. The bill is scheduled to be heard on Wednesday, August 7, 2002.
